Todos los módulos INFORMA incluyen los siguientes soportes de repisa, pies y perfiles:

- 1 soporte repisa.
- 1 pie de apoyo.
- 1 Perfil de finalización
- 1 pie de apoyo.

Informa - Recepción Contadores
Reception Counters

**FRAME**

1. **Bottom, middle and top beam**: extruded aluminium 1,5mm, 40x60 mm profile. Epoxy finish. Moulded aluminium arms to fix shelves and worktops.

2. **Legs**: Extruded aluminium legs. Epoxy finish silver (2 mm thickness). Two heights: 107 cm for high reception modules and 73cm for attending area modules for disable people.

3. **Feet**: Moulded aluminium feet. Epoxy finish. Silver. Each foot includes two levellers with anti-skid pad of Polyethylene (PE).

**INFORMA ACCESSORIES**

- **Cable management**: Informa includes ABS silver cable channels fixed to the beams to get comfortable and correct cable management. Dark grey finished.
- **Foot rest**: Foot rest included with the lower beams to provide extra comfort and protection for the metal beam.
- **End Panels**: (optional) Informa includes end panels to avoid seeing what there is inside the counter, legs, cables...

MATERIALS
Maximum use of materials to eliminate and minimize scraps. Use of recyclable and recycled materials in those components that do not affect the functionality and durability.

62.37%
RECYCLED MATERIALS

PRODUCTION
Maximum optimization of energy use. Minimal environmental impact. Last generation technological systems. Zero discharge of wastewater. No VOC coatings. Processes free of heavy metals, phosphates, OC and COD.

100%
RECYCLED ALUMINIUM, STEEL & WOOD

TRANSPORT
Detachable systems. Volumes that facilitate the optimization of space. Maximum reduction of energy consumption by transport.

100%
RECYCLED PACKAGE AND THINNER FREE

USE
Quality and warranty. Long lasting. Replacements available.

EASY
TO CLEAN AND MAINTAIN

DISPOSAL
Waste reduction. Supplier-manufacturer packaging reuse system. Components are easy to be separated. Inks in packaging are water-based, without solvents.

98.12%
RECYCLED MATERIALS

CERTIFICATES AND REFERENCES
The different programmes get points in different environmental categories to get the LEED certificate [sustainability, material and resources, water, energy and atmosphere, inner environment quality, innovation and design].
