- Standard: non-slip rubber.
- Optional placement: felt silent pad-anti scratch included in each pack of 4 chairs - 16 units (It is advisable not to use with carpet and/or exterior.)

**Stacking maximum 6 units.**

It is a product composed of: fiber glass to provide greater robustness to the product, antioxidants to prevent the natural decomposition and chalking of the material, and stabilizers to increase its useful life. Due to this, the Wing chair can present small bursts of color on the surface, which are not simply perceived, and which are below the tolerance threshold established by the European standard.
